

Anmol Zindagi Plan

Sometimes we take life and the blessings that come with it for granted. We get so busy with just living the routine life and getting used to it that uncertainties are often ignored. Despite all this, we still desire to give the finest life to our loved ones and thus, plan our future in the best possible way. However, sometimes life gets unpredictable and pursuing our dreams while leading a stress free life, seems a little far-fetched. The recent global pandemic being COVID-19 that shook the world lately was an eye opener for many as it made people value life even more. Life became more precious while relationships strengthened more than ever.

Looking at the situations that arise due to these circumstances, Askari Life continues to be there for you always; to listen to you, to offer you advice and to create lively environments for you to thrive in. We want you to be resilient and stay put, because good times will soon arrive! So, with Askari Life, no matter what the conditions be, you will be motivated to live your life to the fullest!

Hence we introduce "Anmol Zindagi", a health and life protection plan that understands how precious your life and health are and prepares you to face any unforeseen challenges without a doubt!

Benefits like never Before!

Financial Support against Chronic diseases

Whenever there is a situation of a global pandemic, people realize the value of life more than ever. These are the times when people get closer to their loved ones and understand the importance of keeping theirs and their family's lives safe. Taking this into consideration, Askari Life realized that situations when people get affected by chronic diseases are not less than any other major threats that arise due to pandemics or unforeseen circumstances. Thus, financial planning for such conditions or preparation to face them without any difficulties is equally important!

Anmol Zindagi offers this exclusive benefit that provides you with 20% of the total sum assured amount in case you get diagnosed with any of the below mentioned chronic diseases so you can manage your hospital bills and expenses without any obstacles. This includes;

- Heart Diseases treatment
- Cancer treatment
