Financial Analysis of the Company

Gross Premium:

The Company has recorded Gross Premium of Rs.751.63 million for the half year ending June 30, 2024 as compared to Rs. 712.83 million for the same period of 2023, 5% rise is noted.

Individual Life business stood at Rs.547.33 million as compared to corresponding number of last year result of Rs.443.95 million, a rise of 23.29%. With improvement in service standards and clients' overall experience, our policy persistency levels continue to increase. This has resulted in growth of our individual life portfolio. Management is of the opinion that increase in persistency will bring sustainability in the portfolio and will have positive impact in Company's bottom line.

As management is more focused on development of individual life portfolio and overall profitability of the Company, therefore, a careful approach is being followed for selecting and pricing of group life business. Premium income for this line of business stood at Rs. 204.30 million as compared to Rs.268.88 million for the same period in 2023. However, it is expected that this business will have better growth towards second half of the year.

Investment:

The Investment and other income (including returns on Bank Deposits) for the half year ended June 30, 2024 is Rs 189.59 million as compared to Rs 128.13 million for the same period of 2023. This is mainly attributed to timely decision of the management to keep investment in a high return but cautious portfolio.

The Company's Investment portfolio stood at Rs.2,087.14 million as at June 30, 2024, as compared to Rs 1,871.30 million as at 31st December, 2023. Your Company is always striving for better investment opportunity where your valuable funds may get better return.

Net Insurance Benefits:

The overall net insurance benefits expense for the reporting period of 2024 is Rs 156.80 million as compared to Rs 149.31 million, the same period of 2023 for showing an increase of 5%.

Expenses:

With increase in business size and client portfolio, management of your Company has introduced many strategies to provide best service to our esteemed clients to further improve customer loyalty. These measures have increased overall expense base of the Company which has been further impacted by the prevailing inflation in the country. The Marketing & administration expenses for the reporting period of 2024 increased by 32% to Rs.193.92 million as compared to Rs 146.82 million for the same period of 2023. Other expenses stood at Rs.9.22 million, compared to Rs. 6.03 million in the same period of 2023.

Profit & Loss:

Loss after tax for the half year ended June 30, 2024 is Rs.51.57 million as compared to Rs. 115.37 million of the same period of last year. This is a significant reduction and is in line with our long- term growth plan.

In the second half of the year, Askari Life will continue to focus on business development through multiple distribution channels while maintaining efficient persistency levels and providing exceptional services to our valuable customers. We expect some of our business development plans to mature in the near future which will have a positive impact on the P&L account.

Future Outlook

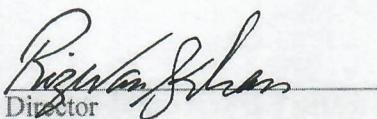

We are committed to evolve our Company and practices around the needs of our customers and the market. We will continue make efforts towards innovation, market development and prudent risk management, due to which satisfactory progress has been noted in our sales reach, development of IT systems and improvement in persistency levels.

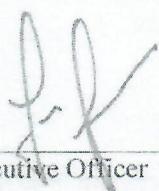

It is anticipated that the economic and market conditions will continue to be challenging for the next few years. However, our journey towards profitability will continue with steady topline growth in both, individual and group lines of business. The Company is now developing a dependable portfolio, which will help it to become profitable in the near future and create competitive value for all of its stakeholders.

Acknowledgment

We take this opportunity to thank to Company's policy holders and shareholders for their trust and patronage. We also extend our appreciation to the reinsurers and the regulators for their continued guidance and support to the Company

INDEPENDENT AUDITOR'S REVIEW REPORT

TO THE MEMBERS OF ASKARI LIFE ASSURANCE COMPANY LIMITED

REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Askari Life Assurance Company Limited as at June 30, 2024 and the related condensed interim statement of comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the condensed financial statements for the six months period then ended (hereinafter referred to as the "condensed interim financial statements"). Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of Condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements is not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Emphasis of Matter

We draw attention to note 15.1.3 to the financial statements, which describes that the Company has challenged the scope and applicability of the provincial sales tax on services on the premium from life insurance business.

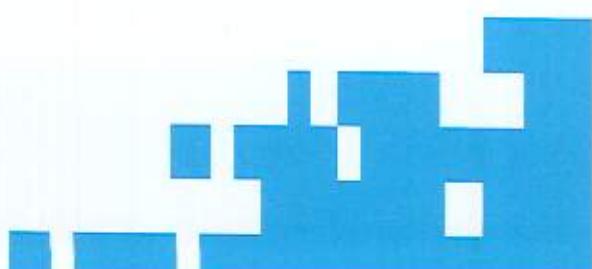

Our conclusion is not qualified in respect of this matter.

Other Matter

The figures for the quarters ended June 30, 2024 and June 30, 2023 in the condensed interim statement of comprehensive income have not been reviewed and we do not express a conclusion on them.

The engagement partner on the review resulting in this independent auditor's report is Adnan Zaman.

15 CONTINGENCIES AND COMMITMENTS

15.1 Contingencies

15.1.1 There is pending adjudication bearing No 125/2012 before the Session Court, South, Karachi in respect of a employee who was previously working on contract basis at company's Hyderabad branch and committed fraud. As the Company is taken over by AWT (the buyer), it was agreed with the previous management (the seller) that if any stage the Company or any of its director(s) become party and as such any liability is imposed by any Court on the Company or its Director(s) in this regard, the accrued liability would be paid by the sellers to the Company for onward payment to the affected at earliest. The Company will accordingly ensure timely and fair payment of liability.

That to guarantee the covenants made by the seller above and to fully indemnify the Buyer against any liability/loss the Sellers have furnished in favour of the buyer an irrevocable and unconditional Insurance Guarantee from a AA+ rated insurance company, East West Insurance Company Limited bearing number EWL/HO/PB-019/01/2017 to an amount of PKR 118,467 million. Further to this effect a duly executed and notarized undertaking dated 13-01-2017 has also been furnished by the Seller to the Federal Insurance Ombudsman.

15.1.2 Pakistan Steel Mill had filed instant suit against the Company in respect of the claims of their employees amounting to Rs. 4 million. The claim had been repudiated by the previous management on the grounds of delayed intimation. The Company is contesting the case in and is at the stage of appointment of commissioner. In view of Company's legal consultant, the Company has a *prima facie* case and unfavorable outcome is not expected.

15.1.3 During the year 2019, Sindh Revenue Board (SRB) vide notification No. SRB 3-4/5/2019 dated May 8, 2019 extended the exemption on life insurance till June 30, 2019. With effect from July 1, 2019, life insurance has been made taxable at the rate of 5% on individual life and group life insurance at the rate of 13%. Further, the Punjab Revenue Authority (PRA) also withdrew the exemption on life insurance and made the same subject to Punjab Sales Tax (PST). The Company collectively through the forum of Insurance Association of Pakistan (IAP) had filed a writ / constitutional petition in the Lahore High Court (LHC) and in the High Court of Sindh (HCS) on September 28, 2019 and November 28, 2019 against PRA and SRB respectively.

According to the opinion provided by the legal advisor, the insurance premium does not fall under definition of service rather an insurance policy is a financial arrangement, which is in the nature of contingent contract and not a service upon which sales tax can be levied (and that an insurance company is not rendering a service). The petitions filed in the Punjab and Sindh High Courts also includes the same grounds. It is also the opinion of life insurance companies that a vast majority of premium received from a policy holder, during the life of the policy, is in fact accounted for in the policyholders' investment which cannot be termed as service.

In view of the above the Company has not started invoicing sales tax to its customers. The amount of sales tax involved is around Rs. 185.39 million computed on the basis of risk based premium, as per the advice of the legal advisor. Moreover, based on legal view, sales tax cannot be levied as insurance is not a service.

Further, subsequent to filing petition, the matters relating to sales tax on life insurance premium were also discussed in the meeting of all the provincial tax authorities i.e. SRB, PRA, BRA and representatives of life insurance industry, where it was agreed to form a joint committee of the insurance representatives to resolve these matters. Based on the above legal opinion and ongoing discussions, the Company considers it has a reasonable strong case on the merit in the constitutional petition and the writ petition filed in the Honourable High Courts.

15.1.4 During the year 2019, SECP has conducted the anti-money laundering audit, as a result of which SECP imposed a penalty of Rs. 400,000, vide order No. ID/Nef/EWLA/2017-257 dated March 24, 2020 for the non-compliance made by the company. The company has filed an appeal against the said order before the Appellate bench of SECP. The company and its legal advisor is confident that any unfavourable outcome is not expected.

15.1.5 Before acquisition of the East and West Life Assurance Company (the "EWLA") by Army Welfare Trust (AWT), SECP had imposed penalty of Rs.120,000/- and Rs. 200,000/- on the EWLA vide order No: EMD/Nef/EWLA/2016/4299 and order No: ID/Nef/EWLA/2017/8348 respectively. The appeals on the said orders were filed before the Appellate bench of SECP by EWLA.

The Appellate Bench of the Securities & Exchange Commission of Pakistan disposed of Appeal No. 37 of 2016 on November 16, 2021 through Order dated November 16, 2021. The said order set aside the impugned order to the extent of penalty imposed on Chairman, CEO, and Directors of the Company, whereas, Impugned Order was upheld and the appeal was dismissed to the fine imposed on the Company. The other appeal against is pending and the outcome is awaited.

15.1.6 There is a case filed by the Nobel Hospital against the EWLA in learned court, Lahore for the recovery of health insurance bill amounting to Rs. 1.6 million (approx.). After the acquisition, the Company is in coordination with the relevant parties for the possible resolution of the case.

15.1.7 There is outstanding portion filed by the Punjab Employees Social Security Institution (PESSI) against EWLA in Insurance Tribunal, Lahore for the recovery of the group claims of their employees amounting to Rs.11.8 million (approx.).After the acquisition, the Company is in co-ordination with the relevant parties for the possible resolution of the case.

15.1.8 An incident was discovered where an agent misappropriated a premium of Rs. 7 Million from a prospective customer. The Company took timely action and apprehended the agent. The case was also reported to the police. The agent provided a written confession and submitted post-dated cheques for recovery of the amount. As of June 30, 2024, the Company has made significant recovery against the out-standing amount. The Company has taken a legal advisor on board to resolve the matter.

28 FAIR VALUE MEASUREMENT OF FINANCIAL INSTRUMENTS

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities,
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, and
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Following are the assets which are either measured at fair value or where fair value is only disclosed and is different from their carrying value:
